

ARYAN SAHU

BCA Professional

☐ 6388634234 ✉ sahuaryan221@gmail.com ☐ 8/31 Sitaram Colony, Shuklaganj, Unnao

SUMMARY

I am a dedicated and disciplined BCA graduate with a solid foundation in application development, system concepts, and data handling. I am passionate about leveraging my technical knowledge to deliver effective software solutions. I am seeking an entry-level opportunity in the IT industry to gain hands-on experience, contribute meaningfully to organizational goals, and grow as a technology professional

PROJECTS

Vibely

☐ 01/2024 – 05/2024

A social media web platform for tweeting and real-time chat

- Designed and developed a full-stack social media platform named Vibely
- Enabled registered users to post short text-based tweets
- Facilitated real-time one-to-one and group chat communication
- Managed user profiles and interacted with a dynamic news feed
- Demonstrated practical knowledge of web development, database management, user authentication, and real-time communication technologies
